

Car Line Signs

If you've ever waited for your child in the car line (Parent Pick Up Line) at Eliot, you know that the line moves more quickly if the staff can identify your car and help your child get there as you pull up to the door. This process is much **safer** and more **efficient** if you have a sign in your car window that is brightly colored and easy for the staff to read.

If your child will be dismissed to the car line in front of the school at any time this year, please fill out the form below and return it to the PTC via backpack mail by **Monday, September 21**. We will print a brightly colored, easy-to-read sign with your child's name and send it back to you. If you have a sign from a previous year, please feel free to use it this year!!
