

Other Great Ways to Volunteer at Eliot

Room Parent

This is a great opportunity for you to see firsthand all of the wonderful activities that take place in your child's classroom, as well as to assist your child's teacher in the organization of special events.

*5th grade: Coordinate 5th grade student barbeque in June

Note: If you have more than one child at Eliot, please indicate below whether you would like to be a Room Parent in one or both of the classroom. Please also list the classroom in which you would most prefer to be a Room Parent.

Media Volunteer

Media is a great way to get involved in your child's education by assisting both students and our media specialist, Mrs. Mullin, for a few hours a month. The media schedules are determined for the different grades and classrooms in early September. We will be in touch with you to discuss the volunteer opportunities once the classroom media schedules have been finalized.

Lunchroom Volunteer

Helping in the lunchroom is easy, a BIG help to the Eliot community, and a great chance to see your kids having fun during the school day. The time commitment is 11:40am - 12:40pm. You can volunteer as often as you like or as a substitute. All you have to do is provide an extra pair of hands and a smile! You will work with the front office staff providing assistance to the children by helping to open drink boxes, giving permission to use the bathroom, wiping down tables between classes, etc.
